From and after the conveyance of an improved lot by First Party, no building, fence, wall or other structure, swimming pool or tennis courts shall be commenced, erected or maintained thereon, nor shall any exterior additions to, removal of all or any

part thereof, or exterior change or alteration in any improvement thereon be made until the plans and specifications showing the nature, kind, shape, height, materials, colors and location of the same shall have been submitted to and approved in writing as to harmony of external design, types of materials, colors and location in relation to surrounding structures and topography by the Trustees, or by an architectural committee composed of three (3) or more representatives appointed by the Trustees. Reference herein to "Architectural Control Committee," shall refer either to the aforesaid Committee, if appointed and constituted, or to the Trustees, whichever happens to be acting at the time. In the event the Architectural Control Committee fails to approve or disapprove any design, materials, colors and location within forty-five (45) days after all required plans and specifications have been submitted to it (and fees, if required, have been paid), approval will not be required and this provision will be deemed to have been fully complied with. The Architectural Control Committee is authorized where it deems appropriate to charge a review fee for any submission to defray the costs of reviews it conducts or authorizes.

It is the intent of this Indenture that all buildings and structures within the Properties shall be constructed of attractive exterior materials of high quality. In its review of submissions the Architectural Control Committee shall evaluate the construction standards and building materials for all proposed construction on the Lots to insure that they are in conformance with such objectives. Accessory buildings, enclosures, appurtenant structures to, or extrusions from any building or structure on any Lot shall be of similar or compatible materials, design and construction. Exterior finishes once approved shall not be altered without the express consent of the Architectural Control Committee.

ARTICLE VI

2. Owners' Responsibility. Each Owner shall be responsible for the maintenance, repair and replacement of the lateral sewage line or lines servicing such Owner's Lot.

ARTICLE VII

ASSESSMENTS

1. General. First Party, for each Lot within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay (i) annual assessments or charges; and (ii) special assessments, such assessments to be fixed, established and collected from time to time as hereinafter provided.

The annual and special assessments together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the Lot and shall be a continuing lien upon the property against which such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

2. Purpose. The assessments levied under this Article shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents in the Properties and in particular for the rendering of services in the furtherance of such purposes, including the carrying out of all functions herein authorized, and for the acquisition, improvements, maintenance and operation of the Common Property and all facilities thereon, including, but not limited to, the payment of taxes and insurance thereon, and repair, maintenance, replacements and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof, and for such other needs as may arise.

3. Annual Assessments. The maximum annual assessment shall, until increased as herein authorized, be Five Hundred Dollars (\$500.00) per Lot; provided, however, that the Trustees may increase such assessment for any assessment year by an amount which is equal to the increase in the Consumer Price Index - United States All Items Figure as published by the United States Department of Labor Statistics as indicated by the last available Index published prior to the assessment year over the corresponding last available Index published prior to commencement of the first assessment year hereunder. If such Index be discontinued, the Trustees shall utilize a successor index, determined by the Trustees in their sole judgment, to be most similar to the discontinued Index.

The Trustees may, after consideration of current maintenance costs and future costs and needs, fix the actual assessment for any year at a lesser amount. The Trustees may change the basis and maximum of assessments provided for herein upon the approval of a majority of the Trustees and the assent of a majority of the votes of Owners who are voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall have been sent to all Owners at least thirty (30) days in advance and shall set forth the purpose of the meetings.

Each annual assessment shall be levied prior to or during the year for which it is levied, notice thereof being given by first class mail addressed to the last known or usual post office address of each Owner and deposited in the United States mail with postage prepaid, or by posting of a notice of the assessment upon the Lot against which it applies. Each annual assessment shall be due on the date which is thirty (30) days after such mailing or posting and shall become delinquent if not paid within thirty (30) days following such due date.

12 4. Storm Water Facilities. In addition to the foregoing, the Trustees are authorized to make separate annual assessments upon and against each Lot for the purpose of maintaining or repairing storm water storage, disposal or sewer facilities located within the Properties; PROVIDED, HOWEVER, the separate power granted to the Trustees by this Section 4 shall expire with the calendar year following the acceptance of any such storm water facilities for maintenance by the St. Louis Metropolitan Sewer District or another appropriate governmental body or public utility. Any assessments made pursuant to authority of this,

Section 4, shall be assessed and collected in the same manner as the assessments under Section 3 above, and the Trustees shall have the same powers of collection and lien rights as provided in said Section 3.

5. Special Assessments. If at any time the Trustees consider it necessary to make any expenditure requiring an assessment additional to the annual assessment they shall submit a written outline of the contemplated project and the amount of the assessment required to the then Lot Owners. If such assessment is approved, either at a meeting of the Lot Owners called by the Trustees, by a majority of the votes cast in person and by proxy, or on written consent of a majority of the total votes entitled to vote thereon, the Trustees shall notify all Lot Owners of the additional assessment; PROVIDED, HOWEVER, that in determining such required majority, each Lot Owner shall be entitled to one (1) full vote, except, that only those who have paid all assessments theretofore made shall be entitled to vote. The limit of the annual assessments for general purposes as set forth in Section 3 hereof shall not apply to any assessment made under the provisions of this Section 5. Notice of any special assessment hereunder shall be given in the same manner as notices of annual assessments are given, with such assessment becoming delinquent thirty (30) days after the date of such notice.

6. Prorations. Should a Lot become subject to assessments after January 1 in any year, and should an annual or special assessment have been levied for that year, then such assessment shall be adjusted so that such Lot shall be charged with a portion of the assessment prorated for the balance of that year.

7. Interest and Liens. All assessments shall bear interest at the rate of one percent (1%) over the from time-to-time floating rate of prime interest charged by Mercantile Bank, N.A., to its best and most creditworthy customers from the date of delinquency and such assessment, together with interest and costs of collection, shall constitute a lien upon the Lot against which it is assessed until the amount, together with the interest and charges, is fully paid. As an assessment becomes delinquent, the Trustees may execute and acknowledge an instrument reciting the levy of the assessment and cause the same to be recorded in the Recorder's Office of St. Louis County, Missouri, and thereafter institute any appropriate legal action to enforce such lien. Should an Owner pay an assessment after the recording of a notice thereof, as herein provided, the Trustees shall cause to be executed and recorded (at the expense of the Owner of the affected Lot) a release of said lien.

The lien of the assessments provided for herein shall be subordinate to the lien of any institutional (bank, savings and loan association, pension or retirement fund, insurance company or federally insured mortgage) first mortgage now or hereafter placed upon any Lot with respect to which assessments have become due and payable prior to a sale or transfer of such Lot pursuant to foreclosure or transfer in lieu of foreclosure. Such sale or transfer shall not relieve such Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. The term "mortgage" or "mortgages" shall include deed or deeds of trust.

3. Exemptions. The following properties subject to this Indenture shall be exempt from the assessments, charges and liens created herein:

- (i) All Common Property as defined in Article I hereof.

(ii) All properties exempted from taxation under the laws of the State of Missouri.

(iii) All Lots owned by First Party before title to the Lot has been transferred to the first purchaser thereof at retail (as distinguished from sales in bulk or at wholesale to others for development or resale).

9. Keeping of Funds. The Trustees shall deposit the funds coming into their hands as Trustees in a bank protected by the Federal Deposit Insurance Corporation or in a savings and loan association protected by the Federal Savings and Loan Insurance Corporation, the treasurer being bonded for the proper performance of his duties in an amount fixed by the Trustees.

10. Ordinance Compliance. Notwithstanding any other conditions herein, the Trustees shall make suitable provisions for compliance with all subdivision and other ordinances, rules and regulations of The Village of Clarkson Valley, or any municipality of which the Properties may become a part, including, but not limited to, street lights, and for such purposes shall not be limited to the maximum assessment provided for herein.

10. Trucks, Boats, Etc. No trucks or commercial vehicles, boats, motorcycles, campers, house trailers, boat trailers and trailers of any other description shall be permitted to be parked or stored on any Lot unless they are parked or stored in an enclosed garage or in such other enclosure (open or otherwise) approved by the Architectural Control Committee, except only during periods of approved construction on the Lot.

11. Abandoned Vehicles. No abandoned cars, motorcycles, jeeps, trucks or motor vehicles of any kind whatsoever that are unable to move under their own power may be stored or suffered to remain upon any of the Common Property or on any Lot.
