Need space but love condo living that is convenient & close to everything? This apartment in Oliver is for you! This is the largest unit in Dorchester House & offers 2 great sized bedrooms. Kitchen has been updated & there's a large dining area adjacent to it. You'll love the huge living room and electric fireplace. Just off the living room is a second open concept area that would be perfect for office space or even a workout/yoga spot. 4 piece bathroom is bright and offers a newer vanity. There's 3 closets (one by the kitchen that would make a wonderful pantry) as well as a large storage room. New laminate flooring + freshly painted walls make this a must see. Urban living in a mature area with lush trees lining the street and just steps from the River Valley & Victoria Golf Course. There's parking in this building but if you don't want to drive you are in luck as the Grandin/Government Station LRT is a short stroll away. Lobby has undergone renovations & offers a beautiful entrance into your new home!
