Mortgage Pre-Qualification

Our next step in the Home-Buying Process is to get pre-qualified with a mortgage professional. In past workings with buyers, we have done a lot of business with the mortgage broker listed below. It is important that you make contact with a mortgage person, so that we know what your budget is, and what type of monthly payment your budget supports. By no means do we require you use the Mortgage Specialist listed below, but we have a lot of experience working with her and trust her level of expertise and care she shows for each of her clients.

The pre-qualification process is simple, completely free, and takes just a few minutes on the phone. Be sure to mention our name, Mickey Herzing Team with Mark A. Dalton & Co. Realtors, it will help in building rapport and credibility.

After you have been pre-qualified by the Mortgage Specialist, we will be able to attain from them a letter of preapproval as well as an estimation of what your closing costs will be. This information is important and necessary when making an offer. Once you have been pre-qualified, give us a call or send us an email and we can discuss what you learned.

We look forward to hearing back from you.
